Average Music Attributes by Genre

Axis ● Average of... ● Average of... ● Average of... ● Average of...

The chart displays the average values of five music attributes across ten genres. The genres are progressive-house, deep-house, dub, hip-hop, k-pop, pop-film, brazil, indian, chill, and show-tunes. The attributes are represented by different colored dots: green, yellow, light green, and black. The chart shows that progressive-house and deep-house have the highest values for most attributes, while dub and hip-hop have the lowest.

Genre	Attribute 1 (Green)	Attribute 2 (Yellow)	Attribute 3 (Light Green)	Attribute 4 (Black)
progressive-house	High	High	High	High
deep-house	High	High	High	High
dub	Low	Low	Low	Low
hip-hop	Low	Low	Low	Low
k-pop	Medium	Medium	Medium	Medium
pop-film	Medium	Medium	Medium	Medium
brazil	Medium	Medium	Medium	Medium
indian	Medium	Medium	Medium	Medium
chill	Medium	Medium	Medium	Medium
show-tunes	Medium	Medium	Medium	Medium
